Following thirty minutes of hearing from the public, the Board of Commissioners will allow the remainder of citizens who have signed up for public comment to be heard at the next Tuesday business meeting.

1) Dr. Henry Anderson, a Clayton County resident, gave his final summation of continued acknowledgement, recognition, and accolades to the Board. He recognized Commissioner Hambrick's support of the comprehensive and detailed tour on August 10, 2009 of Tara Boulevard along with other officials of the police, sheriff, and code enforcement departments to clean up Tara Boulevard. Her vote changed the rules to enable citizens to serve on more than one County Board and rescinded the majority vote led by previous Commissioner Charley Griswell that allowed a Clayton County citizen to serve on only one board. Dr. Anderson recognized Commissioner Singleton for connecting him with Mundy's Mill High School in August 2010 to donate health equipment to the Health Professional Career Department at the high school. He acknowledged Commissioner Rooks' steadfast loyalty and the promises she kept to the supporters of District Three and her tenacity to change the name of the new recreation center in Hampton, Georgia to South Clayton. Dr. Anderson also commended Commissioner Rooks on her informative newsletter and her first Saturday of the month talks for constituents to ask questions and voice any problems or issues that she can address and resolve. He gave accolades to Chairman Turner, as then Chief of Police, for implementing community policing and enhancing the neighborhood watch programs. In closing, he recognized and expressed appreciation to Chairman Turner for making himself accessible, approachable, and available to the Clayton County citizens. Dr. Anderson thanked the Board for its time and attention.

2) Shana Roberts, a Clayton County resident, stated she attended the May 7, 2013 commissioners' meeting to express concerns regarding parking issues at Southlake Townhomes on Southlake Parkway. She noted that the Board had her speak with Deputy Chief Hawkins of the Clayton County Police Department, and she still has not received any results for the parking issues. As of date, Ms. Roberts is still receiving parking tickets and would now like to sit down with someone to come up with a resolution.

Chairman Turner told Ms. Roberts to leave information with Ms. Woods, BOC Office Manager and he would set up an appointment with Chief of Police Greg Porter, Ms. Roberts and himself to come up with a resolution.

3) Druscilla Lawrence waived her right to speak before the Board tonight.

4) Dana Lemon, owner of W. D. Lemon & Sons Funeral Home in Clayton County since the mid-seventies, stated that it has been an honor to support the citizens of Clayton County as well as other surrounding counties. Ms. Lemon affirmed that it has come to her attention that the County has a bid out on deceased body removal provided to the Georgia Bureau of Investigations. She requested that the Board employ a professional removal service that can fulfill the obligations and provide to the citizens of Clayton County. Ms. Lemon concluded that it is imperative that the county provide a service to the GBI that is professional, consistent, and of quality that not only represents Clayton County Commissioners but the entire community.

5) Vickie Warren appealed to the Board to extend the hours of Morrow Library to seven (7) days a week for the following schools: Elite Scholars, Morrow High, Morrow Middle and Thurgood Marshall.
