Chairman Jeff Turner Initiates the “*Show On The Road*” Public Information Session

Jonesboro, Georgia—As a means of better communicating information to the general public regarding Clayton County government operations and the County’s vision, Chairman Jeff Turner is implementing a quarterly initiative of community forums known as “***SHOW ON THE ROAD***”. The concept calls for representatives from county departments to visit locations throughout Clayton County to provide updates on projects, new initiatives, services, and potentially outstanding issues.

“One of the missions of my administration is to keep our citizens abreast of the issues and projects affecting their neighborhoods and to give them an opportunity to voice their concern and/or appreciation directly to our Department Directors.”

- Jeff Turner, Clayton County Commission Chairman

As part of Chairman Turner’s first 90-day initiative, the first community forum will be held on Thursday, March 28, 2013, at Mundy’s Mill High School from 6:30 – 8:00pm with District 3 Commissioner Shana M. Rooks in attendance. Leadership from each County Department will be on hand with their respective department’s material and displays to allow for public interaction.

The forum is free and open to the public. For more information, contact (770) 477-3208.
