**WHO:** Clayton County Board of Commissioners Chairman Jeffrey Turner

The Council's State of the County programs are the official address for the Chairmen or CEOs and provide high level networking, insight and opportunities for all in attendance, including hundreds of key County and City leadership, elected officials and staff, in addition to leaders from the local business community.

### **About the Council for Quality Growth**

The Council for Quality Growth is a 32-year-old trade organization that works to ensure continued growth and economic success for generations to come by providing advocacy, information and education to its members. Committed to the mission of promoting balanced and responsible growth, the Council is proactively involved in the formulation of policy and legislation critical to the growth and development industry. The Council addresses, head-on, strategic economic planning, infrastructure needs and tough quality-of-life issues throughout the metro Atlanta region and state.
