*A Message from Jeffrey E. Turner, Chairman
Clayton County Board of Commissioners*

Dear Clayton County Community,

I am excited to highlight some of the amazing activities and resources we have available within our different cities and throughout Clayton County. I want to express my gratitude to all the municipalities, employees, residents, volunteers, the business community, and partnerships that make Clayton County a great place to live, work and play. I am proud of the notable progress in our county we have made working together and with others. So, as we look to the future, let us continue to explore more opportunities to bring additional resources to Clayton County. With your continued support, the Board of Commissioners and I are vested in the continued progress and success of Clayton County! I look forward to our diverse community working together to seek solutions to any challenges we may encounter. So, as we plan for the future, I am hopeful that we are all onboard to fly this journey together as a community.

Yours in service,

Jeffrey E. Turner

July
Veteran of The Month
U.S. Army Staff Sergeant
Jaime Montalvo

U.S. Army Staff Sergeant Jaime Montalvo

Jaime Montalvo, a native of Newport News, VA, embarked on a remarkable journey of service and achievement from a young age. Enlisting in the U.S. Army immediately after graduating high school at the age of 17 in July 1999, Jaime dedicated 11 years to the nation's defense, attaining the esteemed rank of Staff Sergeant (SSG) before receiving an honorable discharge in September 2010.

Her military journey commenced with rigorous training at Fort Leonard Wood, MO, followed by specialized instruction as an Information Technology Specialist at Fort Gordon, GA. Stationed in Heidelberg, Germany, with the United States Army Medical Command, Europe from 1999 to 2004, Jaime served as a Senior Information Systems Operator/Maintainer, showcasing her technical prowess.

Transitioning to Fort Drum, NY, from 2004 to 2007, Jaime assumed the pivotal role of Automated Data Processor Security Team Chief within the 1st Brigade Combat Team, 10th Mountain Division, including a deployment to Baghdad, Iraq, where she demonstrated exceptional leadership under challenging conditions.

From 2007 to 2010, Jaime served in Holmes, PA, with the U.S. Army Mid-Atlantic Recruiting Battalion as a US Army Recruiter, excelling in recruitment and leadership.

Jaime's commitment to personal development paralleled her military service. She earned a Bachelor of Science in Computer Information Technology from the University of Maryland in 2011, augmenting her academic credentials with a Project Management Undergraduate Certificate in 2018 and a Certified Government Chief Information Officer (CGCIO) designation from the University of Georgia's Carl Vinson Institute of Government in 2021. Furthering her education, Jaime completed an Executive MBA from the Terry College of Business at the University of Georgia in May 2024.

Throughout her distinguished career, Jaime garnered numerous accolades, including the Iraq Campaign Medal for her service during Operation Iraqi Freedom, the Global War on Terrorism Service Medal, and the National Defense Service Medal. Her exemplary performance earned her the US Army Gold Recruiter Badge with 2 Sapphire Stars, the Superior Award for MEDCOM Information Management Soldier of the Year in 2003, and recognition as a Commandant's List Graduate of Noncommissioned Officer (NCO) Academy. Jaime's service was further distinguished by 4 Army Commendation Medals, 3 Army Good Conduct Medals, and 2 Army Achievement Medals.

Beyond her professional accomplishments, Jaime finds fulfillment in family life, as a devoted wife and mother to her 10-year-old son. Actively engaged in community service, Jaime serves as the 3rd Vice President for the GA GMIS (Government Management Information Sciences) Georgia Chapter. Since January 2015, she has contributed her expertise to Clayton County's Department of Information Technology. In her leisure time, Jaime indulges her passion for cooking, enjoys quality time with her family, and energizes herself through Zumba.

Court Appointed Special Advocates (CASAs) are trained community volunteers appointed by a judge to represent the best interests of children involved in juvenile court dependency proceedings. The ultimate goal of a CASA volunteer is to help make sure the child has a safe, permanent home as quickly as possible! The Friends of Clayton County CASA (FCCC), a non-profit organization, was established in 1998 to help support the Clayton County CASA program with fund raising, volunteer recruitment and public awareness efforts.

History

On September 18, 1979, Resolution 79-36 was signed stating that property owners residing in unincorporated Clayton County desiring street lighting for the area in which they live may petition Clayton County to have such services. The objective of the Clayton County Street Lighting Program is not to illuminate private property but is to illuminate the streets of participating subdivisions in accordance with standards of the American National Standard Practice for Roadway Lighting. Street Lighting is required in all new residential developments. A yearly fee will be added to each property owner's property tax bill.

Procedure

Step 1: Contact the Clayton County Transportation and Development Street Light Coordinator at

770-477-3674 or street.lights@claytoncountyga.gov

Step 2: Request a Street Light Petition. The petition must be signed by not less than 50% of the property owners in a defined Street Light District.

Step 3: Once the petition is complete, mail it to:

Clayton County Transportation and Development
Street Light Program

Attn: Street Light Coordinator

7960 N. McDonough Street, Jonesboro, GA 30236

Step 4: The petition will be checked by the Street Light Coordinator, verifying property owners and to assure that not less than 50% have agreed to street lighting.

Step 5: A field survey will be performed by the Street Light Coordinator and the utility company representative to determine pole locations and street illumination.

Step 6: The petition is presented to the Board of Commissioners for approval/disapproval.

Step 7: Lights will be installed by the Utility Company for all approved petitions. The entire procedure should take 8 to 10 weeks once the signed petitions is received and verified.

Clayton County Residential Street Lighting Program

Street Light Protection Fee

Once the street lights are installed, property owners are billed for a street light assessment on the following tax year's bill.

The rates for street lights are based on frontage as follows, and are subject to change on an annual basis.

For above ground installation the minimum charge is \$35.00 per year up to 125 feet of street frontage. Street frontage over 125 feet is \$35.00 plus \$0.25 per foot, up to a maximum of \$47.00 per year.

For underground installation the minimum charge is \$38.00 per year up to 125 feet of frontage. Frontage over 125 feet is \$38.00 plus \$0.25 per foot, up to a maximum of \$50.00 per year.
